

Health o meter® P r o f e s s i o n a l

- Easy to Use**
Smooth sliding headpiece and telescoping rod allows the user to quickly and easily read the height measurement.
- Durable Construction**
Aluminum height rod withstands frequent use. Rigorous laboratory tests showed that the Health o meter® Professional 201HR-400 lasts 2 ½ times longer than similar models.
- Footpiece Positioner**
Attached footpiece serves as a guide for heel placement and ensures accurate measurements.
- Large Measurement Range**
The 2" / 6cm – 90" / 230cm measuring range provides height readings for a wide range of patients.
