

THE 221 HR

TAA COMPLIANT PORTABLE STADIOMETER WITH CARRYING CASE

The number-one-selling medical scale company in North America provides the optimum in quality, reliability, and ease of use with the 221 HR. This TAA Compliant stadiometer, designed to meet the needs of doctor's offices, schools, home health and traveling clinicians, features an easy to assemble / disassemble structure and a large sturdy anti-slip base. The long headpiece adds comfort for patients of all sizes and the large viewfinder provides an easy-to-read accurate measurement. The 221 HR has a wide measuring range of 17.7 cm - 210 cm (7" - 82.6"). Industry leading 1/8" platform height, requires a minimal step up, offering the patient a more comfortable and stable weighing experience. This light weight stadiometer includes a plastic carrying case and gives clinicians a cost effective option to measure all types of patients. It can

be assembled and disassembled in seconds and is free-standing as wall fastening is not required.

Large Viewfinder

The large viewfinder moves up and down providing an easy-to-read accurate measurement.

Carrying Case Included

The 221 HR includes a polycarbonate carrying case which makes the stadiometer easy to move from location to location.

THERE'S STRENGTH IN OUR NUMBERS.

When you add up the numbers to our stadiometer, it's not surprising that the 221 HR is accurate, easy to use, portable and convenient.
