

Memory Travel Core™

HOW TO BUY

Memory Foam Comfort For Traveling

- Our heat-sensitive viscoelastic foam conforms perfectly to your head and neck.
- Helps support your head and neck so you can relax.
- Versatile for use at home or when traveling.

Memory Foam Comfort

The Memory Travel Core is made with 100% viscoelastic foam to provide comfort for your special sleeping or resting needs. This foam responds to body heat to better conform to the unique shape of your head and neck, helping to comfortably stabilize an existing condition.

Versatility

This unique pillow allows you to sleep as well when traveling as you do at home. Use with the lobes down for support while seated. Use with the lobes up or down for support while lying down. The pillow's compact size makes it easy to transport.
