

Lightweight and battery-powered with basic functionality, this scale is a good choice for practices with occasional infant patients or for visiting nurses.

Advantages

- ✓ **Sanitary Plastic Weighing Surface**
The easy-to-clean plastic tray is ideal for sterile environments
- ✓ **Tare Function**
This convenient function allows the user to automatically subtract the weight of blanket or diaper from infant's weight measurement
- ✓ **Value-Added Features**
Operating functions (Zero, Tare, Auto Zero, Auto Off) included at no additional cost

Health o meter® P r o f e s s i o n a l
