

Smart Dual Band (Wi-Fi & Bluetooth) 18 Point Digital Health Scale

Dual Band – WiFi & Bluetooth

18 Essential Body Measurements

Daily, Weekly & Monthly Graphs

Multi-user Tracking

Description:

The MOBI Smart Scale, with dual Bluetooth and Wi-Fi connectivity for easy and flexible setup and use, automatically measures and allows you to sync & share 18 essential health and body metrics. Wi-Fi connectivity provides use for up to 10 users with cloud data synchronization for a comprehensive overview of health data via the MOBI Smart App which also integrates with other "MOBI Connect" devices to monitor your vitals all in one App.

Key Features and Benefits:

- Can be used independently or with MOBI Smart App for enhanced functionality, featuring a user-friendly interface.
- Long-Term Tracking: Enables users to track their health trends and progress over time, fostering motivation and accountability.
- Reminders and Notifications: MOBI App Sends reminders and notifications to help users stay on track with their health goals.
- Efficient Pairing: Bluetooth allows for quick and smooth device pairing & fast data transfer.
- App feature: Powerful reporting & graphs for Daily, Weekly, Monthly + Export options
- Wi-Fi connection allows up to 10 user profiles to track each family member independently – cloud data synchronization, and automatic data access via MOBI Smart App.
- Bluetooth Connection allows for quick setup or continuous use without a Wi-Fi signal
- Measures 18 essential body measurements including: Weight / BMI / Body Fat Rate% / Muscle Mass (lb) / Fat Mass (kg) / Body Fat Index / Obesity Level / Ideal Weight (lb) / Weight Control (lb) / Visceral Fat Index / Weight without Fat (lb) / Body Water% / Bone Mass (lb) / Protein Rate / BMR (lb) / Metabolic Age / Body Type / Body Score.
- Share your results & progress with your healthcare provider and family.
- Offline Storage: Stores data when Wi-Fi is not available, and syncs once connected.
- Impressive maximum capacity of 396.8 pounds
- Large easy to read LED display
- Works within "MOBI Smart" app to help monitor your health with other "MOBI Connect" Health devices all in one app!
- Step-on technology, Auto power on/off
- 3 x AAA Batteries Included
